

JMEC's 2011 Annual Meeting Held in Española

Your Cooperative held its Annual Meeting of Members on July 17, 2011 in Española, at the Española Valley High School Gymnasium.

Due to the Las Conchas fire which started in the Jemez Mountains, a decision was made to relocate the Annual Meeting for safety reasons.

Five hundred and sixteen members registered for the meeting but this was not enough to establish the quorum of 1,068 (5%) members.

The cooperative is grateful to those members who did attend the Annual Meeting. A good time was held by all, the food was good and folks enjoyed the door prizes; including the grand prize give-away which was a Casino weekend getaway for two.

We'll see you at next year's Annual Meeting!
