TAXES:

Billing under this schedule may be increased by an amount equal to the sum of the taxes payable under the Gross Receipts and Compensating Tax Act and all other taxes, fees, or charges (exclusive of Ad Valorem, State and Federal income taxes) payable by the utility and levied or assessed by any governmental authority on the public utility service rendered, or on the right or privilege of rendering the service, or on any object or event incidental to the rendition of service.

FUEL AND PURCHASED POWER COST ADJUSTMENT:

The utility may, if the purchased power expense is increased or decreased above or below the base purchased power cost of \$0.074583/KWH sold, flow through to the user such increases or decreases, in accordance with the NMPRC Rule No. 17.9.550 NMAC.

CONDITIONS OF SERVICE:

1. Street and security light installations and related appurtenances shall be owned, operated and maintained by the utility. All facilities installed on the consumer's premises shall be the property of the utility.
2. Street and security light installations shall be controlled by light sensitive photo-electric cells.
3. It shall be the responsibility of the consumer to notify the utility when security light maintenance is required.
4. Street and security light installations may be inoperative during periods within a month, but such periods shall not cause the net rate to be adjusted.
5. Street and security light installations shall only be maintained by the utility during normal working hours.

6. Street and security light installations may be installed on a temporary basis in accordance with the Rules and Regulations covering temporary electric service.
7. The utility reserves the right to remove lamp and appurtenances at any time in the event more than two calls per year becomes necessary due to vandalism or other causes over and above regular maintenance required unless the consumer agrees to pay for the additional calls and costs incurred to the security light under his custody and control.

CONDITIONS OF SERVICE: (continued)

8. The consumer shall be subject to the Rules and Regulations of the utility.
9. The consumer shall conform to local, state and national electric codes.
10. Street and security light installations with photo-electric controls, based upon this schedule are estimated at 4,000 hours/year use.

DEBT COST ADJUSTMENT CLAUSE:

Billing under this schedule shall be increased or decreased by the change in the current debt cost from the debt cost utilized in establishing the present rate in accordance with NMPRC Rule No. 17.9.540 NMAC.
